

International Conference on Sustainability in Energy and Buildings

Invited Sessions

Title of Session: Sustainable and healthy buildings

Name of Chairs: Jeong Tai Kim, Professor of Kyung Hee University, South Korea
Name of co chair to be notified

Description:

The Center for Sustainable Healthy Buildings (CSHeB) at Kyung Hee University has been nominated as a Center of Excellence in September of 2008 by the Korea Government. It dedicates to the advancement of new ideas, substantiation of related researches, international cooperation, the training of professionals, and the growth of pragmatic knowledge in the field of sustainable healthy building design, control, construction, operation and management. Total grant is approximately US\$ 10 million for 7 years (September of 2008 to February of 2015). Additionally US\$ 4.5 million for 3 years (March of 2015 to February of 2018) will be supported upon the achievement result.

The CSHeB consists of approximately 80 research staffs with six universities, thirteen professors, ten Post Doctoral fellows and other PhD and master program research assistant. Since 2009, we have organised a special session in international conferences that was held out of Korea. This year I would like to join SEB12.

As director of the CSHeB and chair of the Invited Session, I will organise the IS as follows.

- Number of papers: minimum **six(6)**
- Submission of Full Papers and Short Papers for Review: **18 June 2012**
- Notification of Acceptance: **25 June 2012**
- Upload of Final Camera-Ready Publication Files: **1 July 2012**
- Authors registration deadline: **10 July 2012**
